### Purpose

GGCSSM Part Time Revival Boot Camp is designed to bring students come into a more real, intimate and passionate relationship with Jesus. Comprising of four short courses, students come into revelation and transformation

enabling them to walk in miracles, signs and wonders as Jesus and His disciples did, bringing revival into their own spheres of influence. Implementing the Bethel School of Supernatural Ministry (BSSM) Year 1 Curriculum, Redding, California USA, this course is very practical, it prepares and launches students into their God given destinies with great acceleration, for such a time as this!

## Overview

GGCSSM is a boot camp style ministry training centre focused on and led by the presence of God. Students are changed forever by experiences and encounters with their Heavenly Father, Jesus and Holy Spirit bringing fruit that lasts to their own lives and the people around them. The course emphasises hands-on training and field experience along with theological understanding. This creates a practical culture where all of the students are expected to take risks to stretch their faith and grow in their understanding of God in an authentic and encouraging learning environment, a community where students are free to step out without the fear of failure. GGCSSM believes that each verse of the Bible is an invitation into an experience with the Lord, therefore students are challenged to live the word of God.

Students obtain real life experience by undertaking various field activities including Activation Days (compulsory) and other community outreaches with local and international mission's trips (non-compulsory) open to all students. Combined with prayer, intercession, worship and small group discipleship, students are trained to continue in the ministry style of Jesus - to live in the presence of God, say what He is saying and do what He is doing.

As a ministry of GGC Life Church, partnering with New Covenant Ministries International (NCMI), GGCSSM has a heart to bring unity to the body of Christ. Students from all denominations and movements come together, barriers are torn down and strong empowering relationships are established. They have opportunities for continued growth after graduation with the GGCSSM Alumni Community.

GGCSSM equips students with how to minister in an Australian culture to bring revival more effectively to this nation and beyond. Students learn how to walk in power and authority, from an offensive not defensive stance, from a place of rest and trust in Him, they learn how to discern, avoid and quickly overcome spiritual attacks and life issues and for long term success.

**Come and join the Army of Lovers God is raising up in Australia for such a time as this, revival from the Great South Land of the Holy Spirit to the World!**
